This addendum is issued for informational purposes, and is hereby made a part of the proposal documents. Please attach this addendum to the documents in your possession. Per the RFP, the proposer shall acknowledge receipt of any and all addenda, if any, listing the Addenda by number(s) and date(s) in their Letter of Interest.

Project Name: Street Improvements for San Lorenzo & La Luz Drive located west of Belen MainStreet

Project Description: The City of Belen, NM, located in Valencia County, will plan, design, and construct street improvements on the 200 block of San Lorenzo Drive (Latitude 34.651515, -106.780141 Longitude to Latitude 34.651405, -106.782735 Longitude) from approximately 201 San Lorenzo Drive to 215 San Lorenzo Drive (to include 107 San Lorenzo Dr. and 713 Desi Loop) servicing 20 households. The project will also consist of street improvements on the 800 block of La Luz Drive (Latitude 34.651857, -106.780173 Longitude to Latitude 34.652494, -106.782766 Longitude) from approximately 806 La Luz Drive to 829 La Luz Drive, servicing 23 households. The full scope of work will be completed within the locations as indicated above and consists of approximately 6700 SY of asphalt pavement removal and replacement; installation of 1580 SY of new sidewalk with 8 associated ADA ramps and embedded detectable warning surfaces; removal and replacement of 4060 LF of curb and gutter; removal and replacement of 48 existing drive pads as well as approximately 110 SY concrete fillets and valley gutters. This is a CDBG (Community Development Block Grant) funded project and will require the proposer to adhere to all CDBG requirements.
